

### **FOR WAITER**

Please charge the following dessert to my credit card:

---

I do not want this dessert delivered to my table. Once I leave, please bring the dessert to one of your other tables (any table that you choose – perhaps your nicest customer).

Simply tell them it was a free dessert paid by someone that just left.

If you'd like give them the other piece of paper that says "For Customer."

Why did I give some random table a free dessert? Because they need to know they are loved. This is just a small act of kindness to hopefully show them the love of Jesus Christ.

### **FOR CUSTOMER**

Hi!

Why in the world did we give you a free dessert? After all, we're just strangers who happen to be dining at the same restaurant.

Because we want to share the love of Jesus Christ with you. This is a small way of sharing His love, but hey, free dessert! 😊

If you want feel free to check out the following website to learn more:
